

## COVID-19 RESOURCES

### Information & Resources From our Sponsors

- **[RSM Funding Guide. pdf](#)**
- **RSM business insights to bolster your response to COVID-19**

As middle market businesses feel the coronavirus fallout within their organizations—from sluggish supply chains to diminished workforce mobility—it's important for leaders to stay on top of the evolving issues related to this crisis in order to mitigate risks and plan accordingly. Visit RSM Canada's resource centre to stay informed with the latest insights, ideas and countermeasures to minimize the outbreak's negative effects, as well as prepare for future emergency events. <https://rsm.ca/2J5nXD0>

- **RSM's COVID-19 webcast series: Insights during uncertainty**

RSM understands that these are uncertain times for individuals, communities and businesses as the COVID-19 (coronavirus) outbreak continues to spread around the world. The firm is hosting a weekly on-demand webcast series to share insights for business leaders on the economic impact from this pandemic, how organizations can prepare for the future and how to mitigate risk. Watch the webcasts here: <https://rsm.ca/3aeSc6z>

- **RSM: What to expect from the 2020 Federal Budget**

In light of the COVID-19 pandemic, the Canadian federal government suspended parliament on March 13, 2020, and postponed release of the 2020 Federal Budget. While a budget date has yet to be announced, RSM Canada's Maria Severino delves into the ongoing health crisis and other areas she predicts the government will prioritize in this year's budget: <https://rsm.ca/2Wz0UZj>
